SUHAIB VP

Python Full Stack Developer
+91 8943103140 | shuhaib182004@gmail.com | linkedin.com/in/suhaibvp2004

PROFESSIONAL SUMMARY

B.Tech Computer Science and Engineering graduate with a strong interest in Python and full-stack development. Skilled in Python, Django, React, JavaScript, HTML, CSS and REST APIs with hands-on experience building practical applications. Strong problem-solving skills with a willingness to learn and work with modern technologies. Seeking an entry-level Python Full Stack Developer or Software Developer position to contribute to real-world projects and grow professionally.

TECHNICAL SKILLS

Programming: Python, C, JavaScript, C++
Frameworks: Django, React.js
Database: MySQL, MongoDB
Concepts: OOP, DSA, DBMS, SQL, REST APIs

PROJECTS

FoodSnap AI | Flutter, Python, AI, MySQL
- Developed an AI-based mobile app for food recognition and calorie estimation.
- Integrated food and nutrition data with the application database.
- Enabled users to identify food items from images and instantly view estimated calorie and nutrient content.
- Designed the app to help users track daily food intake and build healthier eating habits.

Expense Tracker | Flutter, Dart, Firebase
- Developed a mobile app to track and manage daily income and expenses.
- Used Firebase for data storage and user authentication.

INTERNSHIP EXPERIENCE

Python Full Stack Developer Trainee | 6 Months
SMEC Technologies, Kochi
- Built Python applications and worked on backend features using Python, Django, and SQL.
- Worked with databases, debugging, and application development through practical projects.
- Gained hands-on experience in Django, SQL, problem-solving, and software development.

EDUCATION

B.Tech in Computer Science and Engineering
MGM Technological Campus, Valanchery | APJ Abdul Kalam Technological University (KTU)
2022–2026 | CGPA: 6.62

CERTIFICATIONS

- Python for Data Science, AI & Development — IBM | Coursera
- Python Programming Fundamentals — Microsoft | Coursera
- Flutter App Development Certification — Pace Lab, Kochi
